

Christian Summer Camp

July 20-25, 2013 in Humble, Langeland

“... so that we might have hope!”

Everyone needs endurance and comfort in order to live.

And that is God's gift through the Scriptures, so that we might have hope!

The apostle Paul says: “For everything that was written in the past was written to teach us, so that through endurance and the encouragement of the Scriptures we might have hope” (Romans 15:4).

At the Summer Camp 2013 we will study the history of David in the Books of Samuel and read some of his Psalms so that we may learn how God gave and still gives endurance and comfort to us when life seems hopeless in tribulations, when we suffer defeat and in good days. We pray to God that he in that way will give us endurance and comfort so that we might have hope.

Yellow spots: English speaker. Some of the Danish teaching/sermons may be translated.
