WELCOME five days in July in fellowship with friends, congregation and family close to Hobro at Mariager Fjord.

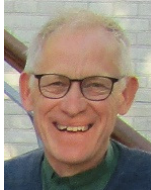

The school has fine dorms for families with children, youth and older people. ... There is a dining hall, sports hall, fellowship rooms and meeting room. In the school yard and park there are room for playing, talking, resting, making fire, And we can go bathing in the Fjord of Mariager.

After breakfast and hoisting the flag we have Morning devotion together. Then children and adults are invited to Bible Study. Afternoons there is free time, sport, bazar and seminars.

In the evening there is a family gathering for everyone, first with focus on God's word to kids. Then a Gospel-sermon and evening prayer. The you are invited to Café/Tea until we say good night.
